Well done Jake!

Virtues

Next week we will be learning about Friendliness (see below) and we will update you fortnightly on which particular virtue we are learning about.

Friendliness

You are practicing **Friendliness** when you...

- Like yourself and know you have a lot to offer
- Smile and greet people courteously
- Get to know people and let them get to know you
- Show caring when a friend needs you
- Are friendly to people who look and act differently
- Make someone new feel welcome

Affirmation
I am friendly. I show an interest in others by being warm and courteous. I am a loyal friend. My friendship is a worthy gift.

Friendliness is being a friend, through good times and bad. You take an interest in other people and make them feel welcome. You share your belongings, your time and yourself. Friendliness is the best cure for loneliness.

Drop Everything And Read (DEAR)

At Kehelland we work hard to develop a lifelong love of reading and sharing books. To help us in this endeavour we would like to invite parents, grandparents, aunties and uncles to a 'Drop Everything and Read' session on Tuesday 21st February at 2.30pm. Come along and enjoy reading for pleasure.

Please encourage your child with their reading and engage with their reading choices - just 10 minutes a day will make a difference to the improvement of their vocabulary, spelling, grammar and a range of reading skills, not to mention the impact it can have on social and emotional development. If your child is already an avid reader, perhaps you could encourage them to read something a little different!
