Class 3 Student of the Week

This week's Student of the Week in Class 3 is:

Keira Silgram

Well done Keira!

Rosa & Eva Hensler-Harris

Both the girls' birthdays fall either side of Christmas (on the 9th and 29th of December) and both of them volunteered to forego having any presents and instead asked friends and family to make a donation to Medicine San Frontiers instead. Rosa and Eva have both expressed a great desire to help other people (especially children) who are far less fortunate than themselves and they positively leapt at the opportunity to do this (with a chorus of YEAH!) when their Dad tentatively suggested it one morning - despite the fact he made it very clear that it meant no presents! By the end of the year, they had raised **£360.00!**

Rosa & Eva's Dad quoted: *I think that for children, giving such as this and understanding the value of supporting a great charity can be helped along enormously by plenty of positive reinforcement (hopefully encouraging more good stuff like this in the future).*

Both girls showed great modesty as they did not tell their teacher or classmates what they had done, we only heard of their kindness when Mr Smith received an e-mail.

Well done girls - what a thoughtful thing to do

Drop Everything And Read (DEAR)

At Kehelland we work hard to develop a lifelong love of reading and sharing books. To help us in this endeavour we would like to invite parents, grandparents, aunties and uncles to a 'Drop Everything and Read' session on **Tuesday 21st February at 2.30pm**. Please choose a book and bring to school to share with the children and enjoy reading for pleasure.

Up, Up and Away!

Thank you to parents for providing the children with such wonderful costumes for Topic Day. The children had an enjoyable day, starting with the thrill of a simulated plane flight and followed by a range of creative activities. Some photos are below but there are more available to view on the website under Parental Information/Up, Up and Away.

Unwelcome Visitors

Unfortunately some unwelcome visitors have returned to our classrooms. Please check your child's hair daily for headline and, at regular intervals, wash and comb through conditioner. Thank you for your co-operation in helping us eradicate this problem.
